Merit Badge Workbook

Special Notes: The BSA is working on the merit badge pamphlet. No picture of the merit badge is available at this time. Scouts can complete requirements, but can't earn the badge until BSA officially adds the badge to the advancement system. Scouts can then get credit for their previous work but the date earned will be when it can be entered.

This workbook can help you but you still need to read the merit badge pamphlet (book). No one can add or subtract from the Boy Scout Requirements #33216. Each Scout must do each requirement. Merit Badge Workbooks and more: [Online Resources](#). Send comments to the workbook developer: craig@craiglincoln.com. Requirements revised: 04/9/10, Workbook updated: 07/10.
